SECONDARY CLUBS 2025

Dear Year 7, 8 and 9 Students, Parents and Carers

John Wollaston offers a range of after-school Clubs for the enjoyment, social development and character enhancement of students in Years 7–9. This program also promotes a sense of community.

It is compulsory for students in Years 7–9 to participate in a Club. Clubs will run from Weeks 4 to 10 in Term 1 and Weeks 3 to 9 in Term 2. The exceptions are the Equestrian Club, Pilates Club, Lego League, and Art Masterclass which have various differences in running times or terms. Please see the advertisement for these and note the requirements when applying.

Students are required to select three (3) options, in order of preference. If selecting JSAS or musical production, please select this as the 1st choice option only.

Please check the Clubs Booklet, regarding information on any costs involved. If there is no cost listed, then no cost is involved.

Clubs will be filled on a first-in basis. Once a student has selected and been accepted into a Club, it is unlikely that they will be able to move to another Club, so choices need to be made thoughtfully.

Students may elect to participate in more than one Club, provided there are spaces available. Please click on the link below to complete your Club selections for 2025.

The survey will close on Thursday 20 February at 12:00pm.

Students will be notified by their Clubs teacher by Friday 21 February.

Queries about Club membership may be directed to the Cocurricular Coordinator, Mel Fowler; the student's Head of House or to the Head of Secondary School, Kylie Virgo.

Yours sincerely
