

John Wollaston
ANGLICAN COMMUNITY SCHOOL

Uniform Guide 2026

Introduction

The John Wollaston Anglican Community School Uniform has been designed to develop a school identity and to give students a sense of pride and belonging. The maintenance of dress standards is a shared responsibility of the students, their parents and staff.

School Uniform is compulsory. **Summer Uniform is to be worn in Terms 1 and 4. Winter Uniform is to be worn in Terms 2 and 3.** It is expected that students wear the uniform correctly when attending school and when travelling to and from school. All items of School Uniform must be kept clean and in good repair, free from stains, marks or damage. School shoes must be polished regularly, and sports shoes are to be kept clean.

There is a requirement that the dress and personal grooming of our students reflects the highest standards, particularly as students are frequently seen in uniform in the wider community.

Any student whose appearance is contrary to the dress and personal grooming requirements may be sent home until such time as their appearance meets the expectations of the School.

The Principal is the final arbiter on all matters pertaining to School Uniform and personal presentation. The Principal's decision is final.

Enquiries regarding the School Uniform should be directed to the classroom teacher in the Primary School or the relevant Head of House in Secondary School in the first instance.
