Fees and Charges

Information and Business Conditions

Subject to alteration. All Fees and charges are reviewed annually by School Council.

APPLICATION FORM

Parents/Guardians make application for enrolment by completing an online Application for Admission Form and paying the Application Fee of \$75 (inclusive of GST). This fee covers administrative costs and is non-refundable. Payment of the Application Fee does not guarantee admission of a student to a place in the School.

ENROLMENT FEE

Admission of a student to a place in the School follows the successful completion of an interview, the acceptance of the Principal's offer of a place and the payment of a non-refundable Enrolment Fee of \$750 for the first child and \$250 for the second child, capped at \$1250. For students entering Year 11 or Year 12, there is a 50% reduction in the Enrolment Fee. Payment of an Enrolment Fee is an undertaking to the School that the student will take up the place offered by the School and is non-refundable. SPLIT BILL ARRANGEMENT

The School offers a split bill arrangement for parents/guardians. For information, please contact the Assistant Business Manager. Please note that having a split bill arrangement does not affect the liability of the parties who signed the Enrolment Conditions of Acceptance Form.

LATE / NON-PAYMENT

Parents/Guardians who are unable to pay fees by the due date must contact the Assistant Business Manager to make alternative arrangements or apply to the Business Manager for an extension of payment terms. If arrangements have not been made and the account is not paid by the due date or the payment is dishonoured, a late payment fee of \$30 will be incurred. The School follows up all outstanding accounts with an interview with the Business Manager. Legal action for the recovery of outstanding fees is taken when school fees remain overdue. Costs, including commissions, fees and legal expenses are payable by the parent/guardian.

It is School Council policy that no student may commence a new term unless all payments falling due under the chosen payment arrangement in the previous term have been made by the end of that term. The School will take into consideration special circumstances.

UPDATE OF FAMILY DETAILS

Parents/Guardians are requested to promptly advise the School of any changes to contact details, including street/postal address, email address and telephone numbers. The allowance is paid up to and including the year the student turns 18 years of age. **Application forms are available from Administration and must be submitted by the end of Term 1, 10 April 2025.**

FINANCIAL ASSISTANCE

Temporary financial assistance in the form of a discount against fees may be available when families experience short-term financial difficulty. Such matters are treated in the strictest confidence.

The School offers Bursaries and Academic Scholarships. Applications will be invited through the School newsletter and social media in Semester 1. Please contact the Marketing and Community Engagement Office for more information.

LEAVE / ABSENCE FROM THE SCHOOL

The School does not support leave for holidays during term time. Leave for exceptional circumstances may be obtained by written application to the Principal. Personal accident insurance is provided for all students of the School. Details are available from the Assistant Business Manager. The School does not accept responsibility for theft or damage to personal effects and property damage incurred by students.
